

# Automotive Staffing Staffing Solutions

We understand that the Automotive industry requires highly qualified and cutting edge employees with multifaceted skill sets. We proudly recognize the great history of the industry, but also welcome its future.

## Our Mission

Skillset's mission was founded on the idea of creating a culture that supports long term retention, internally, for our candidates as well as our customers. By providing our customers with the highest levels of customer service, our reputation as a leader in the staffing industry continues to grow by matching the perfect skillset with the perfect employer.

## Why Choose Us ?

Over 75+ years of  
internal staffing  
experience

No cost to you  
until we find the  
right candidate

90 Day Guarantee  
on Direct Hire  
Employees

Hire temporary &  
contract workers  
within 24 hours.

### Direct Hire

Our Direct Hire services are a fast and efficient solution to managing your organizations human capital. We offer Direct Hire searches on a contingent and retained basis.

### Temporary & Temp to Hire

Our Temporary & Temp to hire solutions are designed to help save you money by deploying a flexible workforce management solution and mitigate hiring costs.

### Payroll & Risk Management

Our Payroll solutions are designed to allow your company to focus on your core business while we help manage your HR compliance and mitigate risk.

## Services

Our services include onboarding, E-Verify, drug testing, background checks, timekeeping, tax compliance, workers' compensation insurance, unemployment claims, and benefits.
